**ACCOLADES;**

**The stupendous success of the cultural days. Thank you, dear parents, teachers, and students for your proactive, active collaboration, and cooperation. The success was inevitable as it is accompanied by planning, managing, and implementation.**

As COVID took over our lives, cultural days were not celebrated in the last 4 years, celebrating cultural days was an attempt to provide a platform for every child to learn these skills and most of all to gain confidence to present before a vast audience.

The cultural extravaganza was an amalgamation of technology, dance, drama, and songs above all children from class LKG to class IX expressing themselves before the esteemed audience on the theme ‘APNA HYDERABAD’ from December 7<sup>th</sup> to 30<sup>th</sup> in the school auditorium.

The event managers were Nrityanjali Academy. 10 shows were hosted in a month. The program was implemented with the collaboration of various teams who were hired. They were

- Stage decoration by Zee TV service providers.
- Laser show by a Bangalore-based electronic firm.
- Costumes – hiring costumes, props, wigs, etc around 1450 costumes.
- Reputed makeup artists and hair stylists for all 1650 students
- For safety and security, Police, Fire Services, and Medical centers on all 10 cultural days.
- Videographer and digital photographer for documenting the event.

All the students assembled in school at 2 p.m. and they were allotted teachers, who coordinated with the students for their costumes, Hair, Makeup, and photo sessions, and finally transitioned from the green rooms to performing on stage. After the event, the students were handed over to their parents.

We sincerely thank the parents who cooperated with us in dropping their children off for multiple events. Thank you for your support. The feedback we received from you, was very encouraging. Thank you for appreciating and recognizing the work. We were happy that we could take you down the memory lane.

We attempted to instill the values, customs, traditions, and history in our children and most importantly to learn skills like collaboration, communication, creativity, and above all gain confidence. Your feedback also emphasized the learning. Thank You!
