Investiture
Ceremony

Investiture Ceremony

June 28th Friday 2024.

“Leadership is not about being in charge. It’s about taking care of those in your charge.” It is about fostering an environment where every voice is heard and every idea is respected.

The student council is a program that promotes the virtue of Leadership, where students develop as leaders who are kind, bold, thoughtful, and humble. They are leaders who are the source of strength, wisdom, and inspiration to their fellow students.

The day started with the newly elected school council hoisting the flags to mark the event. Teachers, NCC cadets, and class IX and X students assembled on the school grounds.

The anchoring team class IX students, Aniketh, Aashritha, Jaywanth, and Snigdha welcomed the audience comprising of teachers and students from class VI to X to the Investiture Ceremony of the student council 2024-2025 in the school auditorium.

The criteria for nomination are -90 % and above attendance to school and must score above 75 % in academics. Once the nominations are scrutinized, the students appeared for an essay competition. The topic, time limit, and rubric are

shared with the students. The essays are evaluated and the selected candidates go for a vote appeal.

As a truly democratic process, every student was made aware of the importance of voting, and casting votes. On behalf of the entire student body, the class 9 and 10 students were given the most important job of electing the student representative. Students were given ballot papers and they cast their vote in the ballot boxes. Candidates with good speaking skills, highlighting their skills, and popularity helped the right candidate to win

NCC, National Cadet Corps JD/JW is a self-financing program. The NCC cadets received their ranks, Sergeant, Corporal, and Lance Corporal.

The program started with the Lighting of the Lamp and a prayer song by the school choir. Mr Teja PET delivered the welcome address. He stressed that the student council must work along with the staff to ensure that all the students follow the school rules.

The NCC cadets escorted Principal Mr Nageshwar Rao to the dias. It was the turn of the student council and NCC cadets to be invested. They received their badges and sashes from the Principal. The HM Ms Swarupa Rani administered the oath. The NCC cadets also received their ranks from the Principal. In their address to the audience, the leaders were confident and promised to follow the school rules.

A victory march by the NCC cadets for the newly inducted student council was a highlight of the program.

A cultural program followed where class IX and X students sang a song on collaboration. This was followed by a dance by class IX and X students.

Congratulations Student Council !
