

SANGHAMITRA SCHOOL

Medical Camp in school from July 22nd to August 1st .

Healthy, well-nourished, happy children and adolescents learn better and are more likely to lead healthy and fulfilling lives. Good health and nutrition are foundations for learning and can improve education outcomes, and empower learners to thrive.

Senior doctors from Prasad's Hospitals were involved in conducting the health check up for students from LKG to Class X from July 22nd to August 3rd. A detailed health record was duly filled by parents with the child's details. After the medical check up doctors made entries about the general health and suggested further diagnosis as and when required.

The doctors team included :

Dr Syam Sundar Rajupalem is a **Senior Consultant in Paediatrics and Paediatric Intensive Care** at Prasad Hospital Pragathi Nagar and has over 30 years of experience in Children's medical care. He did MBBS from Kurnool Medical College, Dr NTR University of Health Sciences. He did MD in Paediatrics from Gandhi Medical College Hyderabad. He was previously a **Consultant Paediatrician at Care Hospital Banjara Hills** and worked abroad

in a Paediatric Cardiac Center in Saudi Arabia.

Dr. Mohan Chand is a senior **Neonatologist and Paediatrician** at Prasad Hospital in Pragathi Nagar, Hyderabad, and has 15 years of experience. He completed MBBS from Dr. NTR University of Health Sciences Andhra Pradesh, MRCPCH - Sri Ramachandra Medical College and Hospital, Chennai, and a Fellowship in Neonatology, University of Southampton, UK, and Evelina Children's Hospital, London. He was previously a **Consultant Neonatologist** at **William Harvey Hospital, UK**.

We would like to thank all the doctors, and medical staff for their kindness, patience, and meticulous check-ups extended to every child.

Thank you for being successful in helping us to maintain good health.
