

SANGHAMITRA SCHOOL

SAFETY CLUB

June 27th Thursday Assembly Presentation

CYBER SAFETY

Safety Club initiated the program for the academic year 2024-25 with an Assembly presentation on June 27th on Cyber Safety.

Class VIII students and Safety Club teachers spoke on the safety practices to be followed by the students. Information on the importance of following responsible online behaviour, respecting others' privacy, avoiding harmful content, and understanding the impact of online actions was shared.

Class VIII students gave an Assembly presentation using placards. Students learned about online safety and safe etiquette practices like

- To report cyberbullying
- Not to share personal information
- The Importance of strong passwords
- To be online under parental control
- Not to accept friend requests from strangers
- To Be respectful and do not hurt others.

International Day against Drug Abuse and Illicit Trafficking

Say Yes to Life, No to Drugs

SAFETY CLUB created awareness on June 26th as the International Day against Drug Abuse and Illicit Trafficking. Students learned about the importance of healthy habits like participating in sports and eating healthy food. Awareness was also created of the ill effects of drugs. Teachers also took a pledge to make this world a drug-free place.
